MUSIC SCHOLARSHIP AUDITION GUIDELINES

A student should be prepared to demonstrate sufficient skill on the instrument to merit placement in a college-level performance ensemble. Scholarship winners do not need to be music majors to win an award. Students wishing to audition for a music scholarship must choose a single discipline in which to do so. Music majors who wish to audition for scholarships must do so in the discipline matching his/her Applied Music studies and ensemble participation.

AUDITIONS ARE LIMITED TO ca. 5 MINUTES.

Please choose one piece that demonstrates musical contrast, or two short pieces that do so.

SUGGESTED REPERTOIRE CONSIDERATIONS:

PIANO: An etude, or the 1st movement (or excerpt) of a sonata (i.e. by Bach, Beethoven, Mozart, Brahms, Chopin, etc.)

VOICE: A vocal selection from the standard art song or operatic literature in English, Italian, German or French (i.e. songs by Britten, Vaughan Williams, Copland, Caldara, Scarlatti, Puccini, Mozart, Schubert, Brahms, Debussy, Fauré. In some cases, musical theatre literature is acceptable, **but please check first!**)

STRINGS, WOODWINDS, BRASS & GUITAR: A selection or two short selections or excerpt(s) from the standard solo repertoire or an etude demonstrating contrasting style and tempi (fast vs. slow and lyrical). Suggested composers: Bach, Brahms, Ferling (studies), Finzi, Handel, Haydn, Mozart, Telemann, Schubert, Villa Lobos, Vivaldi, etc.

PERCUSSION: One etude or movement showing a variety of techniques (timpani, snare); Mallet skills and scales if appropriate

JAZZ STYLES: Performance (melody and improvisation) of one or two tunes from the standard jazz repertoire in contrasting styles, such as a medium or medium up-tempo 12-bar jazz blues or standard jazz tune and/or a standard ballad. (Playback CDs to accompany jazz auditions are fine.)

*Drummers demonstrate both solo and accompaniment contrasting styles. *Pianists & Guitar:

Also demonstrate comping in various styles.
